

# The Lost and Found

One day at school, Wendell and Floyd were waiting 9  
 outside the principal's office. They were in trouble 17  
 because they had missed a math test. They said that a 29  
 giant squid had trapped them in the bathroom. The 38  
 boys thought they had no luck. 43

Mona Tudburn came to the office to look in the 53  
 Lost and Found bin. She had lost her lucky hat. Mona 65  
 fell in the bin and seemed to disappear! The boys 75  
 decided to climb in after her. 81

Wendell and Floyd fell past lost toys and clothing. 90  
 Mona was at the bottom. A sign pointed to the Hat 101  
 Room. Floyd was worried that they would get lost. 110

In the Hat Room, the boys picked out lucky hats. 120  
 Mona found her hat. It had been in her purse the 131  
 whole time. 133

The children didn't know how to get back. They 142  
 were lost in the Lost and Found! There were doors in 153  
 all directions. Mona closed her eyes and pointed. The 165  
 children went the way Mona picked. 170

After a long trip, the children got back to the office. 181  
 Mona waited for her new friends while they talked to 191  
 the principal. Then they all put on their lucky hats. 201  
 The friends felt lucky together. 206
